We accept cash (USD\$), U.S. traveler's checks, personal checks (from the United States), certified checks, international money orders and credit cards.

**Please note for VISA and Master Card holders:** PRIOR to traveling, we recommend that you inform both your bank and credit card company that you will be outside of the country, to unlock or activate the chip or code in your card. Once unlocked you will be able to use it and to pay your school fees at CPI or make other purchases while in Costa Rica.

While it is possible that all students experience difficulty with their credit card, it is our experience that students coming from Europe tend to be most affected by the LOCK CODE regulation.
